

2012 Columbia Valley Cabernet Franc

The majority of the fruit for this wine is from our own Two Blondes Vineyard. It is 95% Cabernet Franc with 5% Cabernet Sauvignon from Ciel du Cheval and Champoux Vineyards. After primary fermentation the must received a gentle press and the wine went into 35% new French oak barrels for 12 months. The wine is very lightly sulphured.

The 2012 vintage marked a return to more historical averages in terms of temperature after two successive cool vintages in 2010 and 2011. A notable aspect to the growing season was a 100-day spell with no measurable precipitation from July through mid-October.
